We will regularly review & revise the company's policies, practices & procedures, to ensure sure they are not discriminatory in any way, shape or form.

If people from a ethnic background are under-represented, we will endeavour to include a statement in our job advertisements, positively encouraging them to apply:

Consult with specialist Agencies such as Job Centre Plus, for advice & guidance.

Ensure the Company advertises jobs as widely as possible & by utilising a multitude of available communication assets & processes.

Ensuring that the criteria for selection are entirely job & employment related.

Monitor the ethnic backgrounds of all works, job applicants & use the information to improve opportunities at all levels in the Companies Structure & Diversity.
